Source: Outlook Luxe, Suneet Varma's Kashi, Samant Chauhan's Jaisalmer and More, 16 Oct 2026

What this tells you

- Craft-led festive is mainstream: tissue, gota, bandhani and block print run from value retailers to designer labels.
- Corsets and ready-to-wear drapes are moving from designer capsules into D2C labels.
- Pastels with sage and ivory lead day festive; jewel tones lead evening.
- Indian footwear startups are building on juttis, Kolhapuri shapes and hand-lasted sneakers.
