Festive colour direction

INDIGO

Blue, from deep indigo to blue-and-white, was the most-seen colour story at Lakmé Fashion Week 2026. Use it on denim, handloom kurtas and printed co-ords.

EMERALD

Jewel tones still lead festive wear, but in richer, more refined shades: emerald, sapphire and deep wine, often with champagne or antique gold.

THEME 1 / HANDLOOM QUIET LUXURY

Handloom quiet luxury

Craft leads, ornament steps back. Designers showed handloom cotton, Chanderi, handspun khadi and tussar in loose, relaxed shapes with minimal surface work and even raw, unfinished edges.

BUILD THE RANGE

Chanderi, Maheshwari, khadi and tussar in calm colours, with little embellishment and beautiful cloth.

DEVELOPMENT NOTES

Build a calm-colour handloom capsule: kurta sets, sarees and men's kurtas. Swap heavy embroidery for tone-on-tone work at the neckline and cuffs. Tell the weave and cluster story on the label and product page.

COMMERCIAL ACTION

Shoppers want pieces that feel special but can be worn again. Handloom also carries a clear sustainability story, and the government-backed khadi push keeps it visible.

INDICATIVE PRICE ARCHITECTURE

Handloom kurta set: INR 1,499-2,999 value / 3,500-8,000 mid / 15,000+ premium; Chanderi or Maheshwari saree: INR 1,999-3,999 value / 5,000-12,000 mid / 25,000+ premium; Linen or khadi men's kurta: INR 999-1,999 value / 2,500-5,000 mid / 9,000+ premium

COST CONSIDERATIONS

Medium - True handloom has longer lead times and minimums. Use handloom for hero pieces and powerloom Chanderi-look or cotton-silk for value ranges.

THEME 2 / INDIGO, BLUE AND WHITE

Indigo, blue and white

Blue ran through Lakmé Fashion Week 2026: indigo denim and crisp tailoring, blue-and-white evening gowns with fine surface work, and whole shows built on indigo.

BUILD THE RANGE

Indigo denim, blue-and-white prints and tailoring were the most-seen colour story on the Indian runway.

DEVELOPMENT NOTES

Add indigo to every category: kurtas, denim, sarees and footwear. Pair indigo with ivory and champagne gold for festive. Try one denim-meets-handloom fusion piece.

COMMERCIAL ACTION

Blue is easy to wear across age groups and works for both festive and everyday. Indigo also links to India's dyeing heritage, so it suits handloom and denim alike.

COST CONSIDERATIONS

Low - Indigo dyeing and prints are widely available. Use natural indigo for premium and synthetic indigo for value.

THEME 3 / FESTIVE MADE EASY

Festive made easy

Festive dressing gets easier: ready-to-wear sarees, embroidered kurta co-ords, fusion kaftans, cape lehengas and lighter organza for sangeet, plus fit-and-flare Anarkalis that suit most occasions.

BUILD THE RANGE

Pre-draped sarees, embroidered co-ords, kaftans and light lehengas that look festive without the effort.

DEVELOPMENT NOTES

Offer the hero festive look in a pre-draped or co-ord version. Add capes and organza dupattas as add-ons to sell up. Show three ways to wear each piece across wedding functions.

COMMERCIAL ACTION

Busy schedules and many functions per wedding mean shoppers want looks they can put on in minutes and wear more than once.

COST CONSIDERATIONS

Medium - Stitched drapes and capes add pattern work. Keep embroidery to placement areas and reuse one base silhouette across colours.

THEME 4 / INDIAN CRAFT GOES GLOBAL

Indian craft goes global

Indian crafts are in the global spotlight. Prada showed Kolhapuri-inspired sandals in 7 of 56 Spring/Summer 2026 looks, Rabari embroidery reached the Indian runway, and kantha is moving onto sneakers.

BUILD THE RANGE

Kolhapuris on the Prada runway, mirror work, Rabari and kantha embroidery, block prints and bandhani.

DEVELOPMENT NOTES

Source one GI-tagged hero product and credit the craft cluster. Add mirror or kantha accents to everyday basics. Pair Kolhapuris and juttis with western looks in imagery.

COMMERCIAL ACTION

The Kolhapuri debate made Indian shoppers proud of the original crafts. GI-tagged and artisan-made products now carry real brand value.

COST CONSIDERATIONS

Medium - Hand embroidery is labour-heavy. Use placement embroidery and partner with clusters for authentic GI-tagged pieces.

THEME 5 / GEN Z FUSION

Gen Z fusion

Gen Z mixes ethnic and street: short kurtas over jeans, sarees with sneakers, jackets over lehengas, oversized tees, baggy denim, athleisure co-ords and gender-fluid boxy tailoring.

BUILD THE RANGE

Kurtas with jeans and sneakers, sarees with trainers, oversized fits and co-ords: India's young shoppers mix it all.

DEVELOPMENT NOTES

Style every ethnic hero piece with sneakers and denim in imagery. Launch small, fast drops and watch social signals weekly. Make sure products are listed on quick-commerce and marketplace apps.

COMMERCIAL ACTION

Gen Z makes up 40-45% of India's online shoppers and drove almost half of new orders in 2025. They discover styles on social video and buy fast, often through quick commerce.

RESEARCH & METHODOLOGY

Evidence, with context

Forecut editorial forecasts synthesise public Indian designer interviews, international SS27 show notes, textile-trade coverage and brand collections. Runway presence is not sell-through. Lifecycle labels are qualitative development priorities, not measured market shares. 2028 entries are conditional scenarios; no 2028 runway or sales evidence is claimed. Palettes are original Forecut working colours, not an official colour authority forecast. Festival groupings are merchandising windows, not verified religious dates; Eid timing requires a separate calendar check.

PUBLISHED FESTIVE 26 SOURCE BASIS

India trends summarise public coverage of Lakmé Fashion Week x FDCI 2026 (Harper's Bazaar India, Free Press Journal), Aza Fashions festive and ethnic trend guides, Lashkaraa colour and silhouette trends 2026, Pearl Academy Gen Z trend reports, Gully Labs, Global Indian (Prada SS26 Kolhapuri-inspired sandals) and Outlook Business (Gen Z and e-retail).

IMAGE PROVENANCE

Season cover: original AI-generated Forecut concept art, October 2026. Detail pages: existing Forecut reference imagery. New propositions use an explicitly labeled related silhouette where an exact image is unavailable. No generated image is presented as a designer runway photograph.

REVIEW DATE

Research reviewed 15 October 2026. This is a dated report, not a live market feed. Religious dates, prices and supplier availability require separate checks.
