Why? Blue is easy to wear across age groups and works for both festive and everyday. Indigo also links to India's dyeing heritage, so it suits handloom and denim alike.

What? Blue ran through Lakmé Fashion Week 2026: indigo denim and crisp tailoring, blue-and-white evening gowns with fine surface work, and whole shows built on indigo.

Who's showing it?

- **Payal Pratap**: Indigo denim and structured tailoring
- **AFEW by Rahul Mishra**: Blue-and-white eveningwear with surface work
- **Saim**: Silk Chanderi paired with denim
